WILDYRIE

One of the most scenic spots in America is located in the Mammoth Lakes region of the High Sierras, surrounded by nine beautiful lakes and with a background of high, rugged mountains.

Wildyrie is nestled among the big trees on the shore of Lake Mamie. From the nearby Twin Falls, one looks down upon a chain of lakes three hundred feet below and across Long Valley to the White Mountains. There are many scenic hiking and horseback trips to be taken from here. Among them are Rainbow Falls, Devil's Post Pile, Earthquake Fault and Mammoth Mountain.
